

Carroll's Kitchen Study Guide

5/27/16

1. Read the blog post by Carroll's Kitchen (linked in blog). Do you think a person could keep a steady job if they didn't have housing? What are some obstacles they might face?
2. Jim said they started Carroll's Kitchen to serve single, homeless women in Raleigh because that is where they saw a gap in services and resources. Where do you see that gap in your community? Who are the "underserved" populations? How can you contribute to filling that gap?
3. Vicky started a non-profit restaurant because the restaurant business was something she was good at and knew how to do. What skills and talents do you have? How can you use them to make a difference in your community?
4. Read 1 Corinthians 4:4-7. These verses tell us that we have each been given gifts of the Spirit "for the common good."
  1. What does it mean to you that every person has been given gifts from God? Does that make you think of people differently (especially those populations that are underserved in your community)?
  2. What do you think your community would look like if everyone used their gifts for the "common good?"
